Sub: SHC reply of the Complaint against officials Sindh High Court

Honourable Chief Justice,

Transparency International Pakistan is thankful to the Honourable Chief Justice to examine the frivolous complaint against officials of Sindh High Court sent on 9th January 2012 and conveying his comments.

The reply of the registrar dated 30th January 2012 about the malicious intentions of the ex FA and reasons for writing based on misleading and hypothetical assumptions, is another brave step taken by your honour for the self accountability of the Judiciary.

Transparency International Pakistan again appreciates your efforts for the application of rule of law and setting up of examples of good governance in the Sindh High Court, which is a way forward for achieving the goal of Zero tolerance for Corruption in Judiciary.

For and on behalf of Transparency International Pakistan.
