FOR HOUSING AND WORKS.

2. I would like to state that your information is erroneous, incorrect and not based on facts. The amount mentioned by you of Rupees over 10.00 Million having been spent on Minister's Office is a figment of your wild imagination. It would have been better and morally prudent if you would have first verified the true picture from Ministry of Housing and Works as you have done now, rather than falling prey to fabricated and self serving propaganda which for reasons best known to you alone, prompted you to go to the press with incorrect and half baked information.
