DGW&CE (Army),
General Head Quarters,
Rawalpindi.

Sub: Violation of Public Procurement Rules 2004, DW&CE (Army), Tender Notice for the "const. of twin box type FADs at Bahawalpur".

Dear Sir,

The DW&CE (Army)'s tender notice published in daily "Express" on 14th May 2011, is against the Public Procurement Rules 2004, as minimum period of 15 days is mandatory to submit applications from the date of publication of advertisement notice in press, whereas you have given only 04 days, which is a violation of rules. Rule is quoted below for your information;

13. Response time.-

The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the individual procurement's complexity, availability and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

TI-P has also observed that you have not mentioned anything about bidding documents. In this case you may refer to Rule 23 of Public Procurement Rules 2004.

23. Bidding documents.- (1) *Procuring agencies shall formulate precise and unambiguous bidding documents that shall be made available to the bidders immediately after the publication of the invitation to bid.*

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures. TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way to eliminate corruption and have good governance in country.

With Regards,

Syed Adil Gilani
Chairman
