**Sub: Complaint against Civil Aviation Authority on retendering of Procurement of 400HZ Composite Cable for AIIAP Lahore, already awarded to M/S Karsaz (Pvt.) Limited on 15<sup>th</sup> July, 2011.- TI-P letter dated 22 February 2012 and PPRA letter dated 6<sup>th</sup> March 2012.**

Dear Ma'am/ Sir,

This is with reference to Transparency International Pakistan's letter dated 22 February, 2012 sent to Civil Aviation Authority and Federal Secretary, Ministry of Defence. TI – Pakistan had forwarded a complaint of M/S Karsaz which indicated that Civil Aviation Authority re-awarded the contract of 400HZ Composite Cable for AIIAP Lahore, that was already awarded to M/S Karsaz (Pvt.) Limited on 15th July, 2011. M/S Karsaz had also submitted the required Performance Guarantee to CAA for implementation of the contract.

The complainant had reported that the subject procurement was also tendered in 2010. CAA decided to re-invite the bids, as the bids submitted did not meet the criteria. After re-inviting the bids, the contract was awarded to M/S Karsaz but CAA re-advertised the tender without informing M/S Karsaz.

Public Procurement Regulatory Authority had also asked to submit a report vide its letter dated 06th March 2012. However CAA did not respond to it either. It should be noted that CAA did not reply to the complaint of M/S Karsaz, which is a violation of Rule 48.

TI-Pakistan again requests the Secretary, Ministry of Defence and the Director General CAA to kindly look into the matter and takes action against the officers involved, if the complaint is found to be correct/ genuine.

Transparency International – Pakistan is starving for across the board application of Rule of Law, which is the only way to stop corruption.

With regards,

Syed Adil Gilani  
Adviser
