CNS Engg. Directorate, Civil Aviation Authority's Tender Notice for Repair,  
Maintenance and Servicing of the UPS.

Dear Sir,

This is with the reference to Civil Aviation Authority's Tender Notice published in daily "Dawn" on 6<sup>th</sup> December 2013. It is observed that the advertisement is in violation of the Punjab Procurement Rules 2009.

As per advertisement the General Manager Telecom & Electronics Chairperson has mentioned that "CAA reserves the right to reject any or all the tenders without assigning any reason", whereas as per Rule No. 33, the procuring agency has to assign the reason of bid rejection to bidders. The rule is quoted below for your reference:

*33. Rejection of Bids "...The procuring agency shall upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds.*

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50 and with request to issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Syed Adil Gilani  
Adviser
