Sub: Violation of Public Procurement Rules 2004, General Manager, Central Procurement, Civil Aviation Authority, Karachi, Tender Notice for the supply of Smoke Detector for AFCOM (Karachi) and Spares for FIDS (Islamabad)

Dear Sir,

The General Manager, Central Procurement, Civil Aviation Authority, Karachi's tender notice for the supply of Smoke Detectors for AFCOM JIAP Karachi and Spares for FIDS for BBIAP Islamabad, published in daily "Dawn" on 15th June 2011, is against the Public Procurement Rules 2004. Civil Aviation Authority has overlooked the July 11th, 2008 notification (S.R.O. 805(1)/2008) of Public Procurement Regulatory Authority for the mandatory use of Pakistan Engineering Council's Bidding Documents, according to which "it is bidder's option to select the mode of payment for bid security". The procuring agency cannot bind the bidders by limiting them to make payment through pay order, demand draft or bank guarantee only.

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures.

TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way to eliminate corruption and have good governance in country.

With Regards,

Syed Adil Gilani
Chairman
