Dear
Dear Mr. Naseem Ahmed

Violation of Public Procurement Rules, 2004 Civil Aviation Training Institute, Tender Notice for the Improvement Work of Power Distribution System

Please refer to your letter No. nil dated 18th April 2011 regarding the complaint lodge by Transparency International-Pakistan relating to above tender notice published in daily Express on date 14th April 2011.

2. It is hereby clarified that the tender actions / processes including advertisement of tender notices in press as well as uploading on PPRA and PCAA websites, is being decided in compliance of prevailing Public Procurement Regulatory Authority Rules 2004. In so far as the case under reference, it may please be appreciate that the subject advertisement / tender notice forwarded to the office of the Senior Manager Public Relations, HQCAA dated 11th April, 2011 for receipt of offers / bids up to 27th April 2011(Copy attached for ready reference). However, keeping in view decelerated actions contained by press processing, advertisement of the same is moderately caused slight delay in publications.

3. Foregoing above, the tender opening date of the abovementioned work has been extended for further 15 days in order to fulfill referred PPRA requirements and to regard the reservations shown by Transparency International-Pakistan.

Regards,

Yours sincerely,

(ENGR. ZAFAR ULLAH MAHESAR)
