Mr. Rana Khawar Iftikhar,  
C.E.O,  
Cantonment Board Korangi Creek,  
Karachi.

**Sub: Complaint against Violation in Prequalification of Contractors.**

Dear Sir,

Transparency International Pakistan refers to a complaint dated 5<sup>th</sup> October 2012, against the pre-qualification of contractors. According to the Cantonment Board Korangi Creek's prequalification notice dated 24-06-2012, following violations are noted:

1. Cantonment Board Korangi Creek has not mentioned anything about the prequalification document to be collected by the bidders; this act is a violation under Rule 16(2). Rule is stated below for your reference:

**16. Pre-qualification process:- (2) The procuring agency shall provide a set of pre-qualification documents to any supplier or contractor, on request and subject to payment of price, if any.**

*Explanation.-For the purposes of this sub-rule price means the cost of printing and providing the documents only.*

2. That Cantonment Board Korangi Creek has prequalified the contractor for the year 2012-2013, which is also a violation. TI-Pakistan would like to inform that prequalification should be carried out only for specific procurement contract and shall be applicable only to that particular assignment.

TI-P would also like to point out that the Ministry of Defence has also taken serious notice of Public Procurement Rules 2004 violations. In this regard, TI-Pakistan refers to Ministry of Defence's letter No 2/2/D-18/2009 dated January 31<sup>st</sup> 2011 (enclosed), which states that "the PPRA Rules must be observed in their perspective in letter & spirit while making procurements. Violation of those rules will be viewed seriously and Head of Department/Organisation will be held responsible for the same."

TI-Pakistan has observed that Cantonment Board Korangi Creek has clearly violated Public Procurement Rule 2004 and the procurement be considered as mis-procurement under Rule No 50, and with request to re-invite the tender under the prescribed procedures.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Syed Adil Gilani  
Adviser
