Sub: Violation of Public Procurement Rules, 2004-Collusive practice
between CDA and Contractors on over Rs 3 Billion Park Enclave
Infrastructure Work

Dear Sir,

Transparency International Pakistan has received complaint about the alleged cartel being formed with connivance of CDA officers for award of over Rs. 3 Billion Park Enclave Infrastructure Work to a preselected contractor.

The complainant has reported that many firm enlisted as **No Limit** Contractor for past 20 years with CDA have not been prequalified for this work, which includes firms like M/s NLC, though they complied with all requirements as per PPRA Rules as well as PPRA Regulations July 2008, for application of PEC SBDs.

Kindly institute the committee comprising of odd number of persons, with proper powers and authorizations, to address the complaints of bidders according to the requirement of Rule No 48, and the committee shall investigate and decide upon the complaint within fifteen days of the receipt of the complain. Also the Principal Accounting Officer responsible for CDA shall conduct administrative review under PPRA Notification dated 10 February 2010, on the findings of the complaint and take action in accordance with conduct rules in the event of unfair and non-transparent procurement process.

TI Pakistan request Chairman CDA to ensure that its officers detest from violating PPRA Rules, and re-advertise this tender avoid charges of mis-procurement under rules No 50 if the complaint is found to be correct.

This act also is termed as Collusive practice under Rule No 2 (f), collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the procuring agencies of the benefits of free and open competition.

Your sincerely,

Syed Adil Gilani,
Adviser
