

The Project Director,
Project Directorate I-15
Capital Development Authority,
Islamabad.

**SUBJECT: PRE-QUALIFICATION OF THE FIRMS FOR THE
INFRASTRUCTURAL DEVELOPMENT OF SECTOR I-15**
PPRA RULE No. 48: REDRESSAL OF GRIEVANCES

Dear Sir,

This is with reference to your Letter No. CDA/PD (I-15)-1(12)/2015/1273 Dated Oct 2015 received on Dec 23, 2015, regarding disqualification of RMG from the prequalification of above mentioned Works (copy of letter attached).

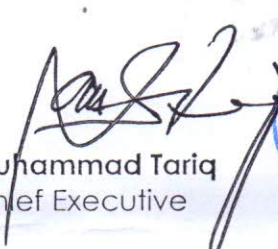

In the above quoted letter, you have mentioned that our submittal does not fulfill the requirements of the prequalification criteria. This is rather appalling for us, since we feel that we stand a real chance of prequalification being frontline contractors of construction industry especially in sector development works.

Our track record in the construction industry has been immaculate. We have been performing in the region and known as the oldest leading contracting company in Pakistan with diversified experience in all facets of Engineering.

We, therefore request you to kindly give us a fair and justified opportunity as per PPRA Rule 48 to appear before the redressal committee for our genuine grievances.

Thanking you

Yours truly,
for R.M Gulistan Engineers/& Contractors (Pvt) Ltd

Muhammad Tariq
Chief Executive
