**2<sup>nd</sup> REMINDER**

Subject: Violation of Sindh Public Procurement Rules, 2010, Award of Contract to  
NESPAC for feasibility study of Malir Expressway

Dear Sir,

Transparency International Pakistan would like to remind you once again that we have not received any reply in response to our letter dated 01<sup>st</sup> May, 2011. The complainant is also looking forward for the solution of this issue.

This is to remind you that Director (CB) Sindh Public Procurement Regulatory Authority has also directed you vide his letter No. Dir (CB-C0084)/SPPRA/37-1 (CDGK)/10-11/1188 dated 04<sup>th</sup> May 2011 to furnish your comments on this complaint.

It appears that City District Government Karachi has violated the Sindh Public Procurement Act 2009 and Sindh Public Procurement Rules 2010, and therefore unable to respond to this complaint.

We would greatly appreciate if you would kindly reply to our attached letter and inform us about any rectification that has been done in this regard.

Regards,
