No: /FoH&MS/18

Dated: 13-12-2018

To,

The Vice Chancellor
UAJ&K Muzaffarabad

Sub: Violation of the AJ&K Public Procurement Rules 2017, Associate Dean, Faculty of Health and Medical Sciences, The University of Azad Jammu and Kashmir Muzaffarabad's Tender Notice for supply of Items.

Please refer to the letter No. TL18/2711/4A date 27 November 2018 from Transparency International regarding advertisement of Electro medical Equipment.

In the advertisement the mentioning of China, Japan and Europe was mentioned because 95% of all the electro medical equipment is manufactured in these regions, which is not only cheap, rugged but also backed up by excellent after sales services. Whereas the equipment manufactured in Americas (North and South) is not only very costly but also there after sales services are rather very unsatisfactory.

However as pointed out, the amendment in the Tender the word (or Equivalent) has been added.

Similarly the date for the last date of submission of tenders and opening of tenders has been readjusted to be on the same date.

A new Tender with the necessary corrections has been sent to the Newspapers.
