Subject: - **VIOLATION OF BALOCHISTAN PUBLIC PROCUREMENT RULES 2014, EXECUTIVE ENGINEER (BUILDING-II), GWADAR DEVELOPMENT AUTHORITY GWADAR'S TENDER NOTICE FOR CONSTRUCTION OF SEWERAGE AND DRAINAGE NETWORKS.**

Reference is made vide your letter No. TL 15/3112/2A dated 31st December, 2015 regarding violation of Balochistan Public Procurement Rules 2014 para 26 (2) provision of bidding documents and the undersigned is directed by the Competent Authority and to say that the tender fees under reference was adopted from Communication & works Department, Government of Balochistan notification of a tender fee amounting Rs 20,000/- vide notification No. 3641-3725 dated 2nd April, 2010 which was not standardized by any authority so far. The undersigned understood that reduction of Rs 5000/- from Rs 20,000/- to Rs 15000/- was enough and reasonable for the same. However the contractors who participated in bidding process did not raise any objection in this regard.

As per your advice, the cost of bidding documents would be reduced at minimum level in next time but the tendering process of this project is at advance stage, cancellation of process would consume much time and project got delayed. I do admit the mistake and humbly submitted that the guideline/provision of BPPRA Rule no. 26(2) would be considered in next tendering process and cost of bidding document would be rationalized.

It is therefore, requested to please ignore the mistake which took place inadvertently.
