Subject: A Naib Qasid's complaint against being given a fractional part of his salary

Dear Sir,

We have received a complaint from Mr. Ahmed Khan, Naib Qasid in Kili Mir Noor Ahmed, District Kohlu, Balochistan who alleges to have received only a small fraction of his salary (Rupees 1,500 to 2,000 monthly) since 2004. The detailed complaint along with annexures is enclosed for your ready reference and is self-explanatory.

Mr. Ahmed alleges that he was unaware about his actual salary and kept taking the fractional amount, until six months ago, when he came to know that his real pay is much more than the sum he had been receiving so far. He accused that some influentials had been usurping his salary. He further alleges that when he brought the matter into the notice of his officers, and complained against this injustice, the amount he was receiving in the name of his salary, was also completely stopped. The complainant demands justice and alleges that despite of his efforts, he has not been given justice so far.

Transparency International Pakistan would greatly appreciate if you would kindly look into this matter, and if found genuine/correct take appropriate action under the rules so that a citizen may find justice.

TI Pakistan is striving to have **Rule of Law** in Pakistan, which is the only way of eliminating corruption and have good governance in the country.

With Regards

Sohail Muzaffar
