**Sub:** Violation of Balochistan Public Procurement Rules 2014, Divisional Forest Officer, Divisional Forest Office, Qilla Abdullah's Tender Notice for Construction of Nursery Tunnel.

Dear Sir,

This is with reference to Divisional Forest Office, Qilla Abdullah's Tender Notice published in daily "Express" on 23<sup>rd</sup> December, 2015. It is observed that the advertisement is in violation of the Balochistan Public Procurement Rules 2014.

As per advertisement, "Only the competent authority reserves the right to increase or decrease the size of the tunnel and the firm/contractor is obliged to do it" whereas any change in tender conditions, specifications and quantity after bid opening by procuring agency is not allowed under Rules. However according to BPPRA 2014, Rule No. 51 (f) (i), repeat orders cannot exceed more than 15% of the original quantity. Stated as under;

*51. Alternate Methods of Procurements.— (1) A Procuring Agency may utilize following alternative methods of procurement of goods, services and works, namely:—*

*(f) Repeat Orders.— means procurement of additional quantities of the item(s) from the original contractor or supplier, where, after the items originally envisaged for the project or scheme have been procured through open competitive bidding, and such additional quantities of the same item(s) of goods or works are needed to meet the requirements of the project or scheme:*

*Provided that—*

*(i) the cost of additional quantities of item(s) shall not exceed fifteen percent (15%) of the original contract amount;*

The above information is forwarded for the purpose of avoiding mis-procurement charge and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law and good governance.

With Regards,

  
Sohail Muzaffar  
Chairman
