*16. Response Time. — (1) The Procuring Agency shall give due consideration to the scope, magnitude and nature of procurement, while deciding the response time which shall not be less than fifteen (15) calendar days from the date of publication of Notice Inviting Tender in the newspapers or uploading on the website, as the case may be, in case of National Competitive Bidding, and shall not be less than forty five days (45) from the date of publication of Notice Inviting Tender in the newspapers or uploading on the website, in case of International Competitive Bidding.*
