Quetta Development Authority

SAY NO TO CORRUPTION

Dated Quetta the 28th Oct: 2016

To,

✓ Mr. Sohail Muzaffar,
Chairman, Transparency International,
Pakistan.

Subject: **VIOLATION OF BALOCHISTAN PUBLIC PROCUREMENT RULES 2014, PROJECT DIRECTOR, QDA, QUETTA'S TENDER NOTICE FOR CONSTRUCTION & INSTALLATION WORKS.**

Please refer to your letter No. TL16/2610/7A dated 26th October, 2016. The cost of tendering is not on high because the advertisement cost is Rs: 1,60,100/- and printing charges are also estimated more than Rs: 25000/-. Probably more than ten firms will complete in the bidding. Therefore the cost for bidding document is Rs: 10,000/- fixed is not more in any way.

If the retendering procedure is adopted then the advertisement cost and tendering cost will certainly increased and the QDA should bear a financial loss under this head. Even then if you feel its not appropriate then kindly guide us about the ratio/ formula of fixing the fee the QDA will issue corrigendum.
