Tractors and Generators.**

Dear Sir,

This is with reference to Cadet College Balochistan, Quetta's Tender Notice published in daily "Dawn" on 29th December, 2015. It is observed that the advertisement is in violation of the Balochistan Public Procurement Rules 2014.

1. As per advertisement, the undersigned has restricted the bidder to generators of **Perkins/ FG Wilson** only and has not added "or equivalent" with it. It is a violation of BPPRA 2014, Rule No. 13. Stated as under;

13. Specifications. — (1) Specifications shall allow the widest possible competition and shall not favour any single contractor or supplier nor put others at a disadvantage.

Specifications shall be generic and shall not include references to brand names, model numbers, catalogue numbers or similar classifications. However, if the Procuring Agency is convinced that the use of a reference to a brand name or a catalogue number is essential to complete an otherwise incomplete specification, such use or reference shall be qualified with the words —or equivalent.

2. Also, it is mentioned that tender form will be issued up to 08-01-2016, which means bidding documents are not available for the bidders for 15 days, till the date of submission of bids. The rule "Response Time" includes purchase of bidding documents for the bidder from the date of publishing of advertisement till the date of submission of bids. Therefore, as per BPPRA Rules 2014, Rule No. 16 (2). Stated as under;

16. Response Time. — (1) The Procuring Agency shall give due consideration to the scope, magnitude and nature of procurement, while deciding the response time which shall not be less than fifteen (15) calendar days from the date of publication of Notice Inviting Tender in the newspapers or uploading on the website, as the case may be, in case of National Competitive Bidding, and shall not be less than forty five days (45) from the date of publication of Notice Inviting Tender in the newspapers or uploading on the website, in case of International Competitive Bidding.

The above information is forwarded for the purpose of avoiding mis-procurement charge and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.
