Dear Sir,

This is with reference to Municipal Committee, Khaliqabad's Tender Notice published in daily "Express" on 30th March, 2017. It is observed that the advertisement is in violation of the Balochistan Public Procurement Rules 2014.

As per advertisement, the undersigned has restricted the bidder to supply tractor of Massy Ferguson brand only and has not added "**or equivalent**" with it. It is a violation of BPPRA 2014, Rule No. 13. Stated as under;

13. Specifications. — (1) Specifications shall allow the widest possible competition and shall not favour any single contractor or supplier nor put others at a disadvantage. Specifications shall be generic and shall not include references to brand names, model numbers, catalogue numbers or similar classifications. However, if the Procuring Agency is convinced that the use of a reference to a brand name or a catalogue number is essential to complete an otherwise incomplete specification, such use or reference shall be qualified with the words —or equivalent.

The above information is forwarded for the purpose of avoiding mis-procurement charge and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.
