**Subject: A Naib Qasid's complaint against being given a fractional part of his salary**

Dear Sir,

Transparency International Pakistan is thankful to your prompt response in performance of your official duties against a matter forwarded by TI-Pakistan in its letter dated 18<sup>th</sup> February 2014. We have received a copy of your letter No. A-29/1538-39/EB dated 25<sup>th</sup> February 2014 directing District Education Officer, Kohlu to resolve the matter of complainant's salaries and his possible transfer positively within seven days.

However, the complainant has informed us that he has not received his salaries and dues, and the local staff is not cooperating with him despite your clear orders. Transparency International Pakistan would greatly appreciate if you would kindly look into this matter again, and hope that it would be resolved as soon as possible and the complainant will get justice.

TI Pakistan is striving to have Rule of Law in Pakistan, which is the only way of eliminating corruption and have good governance in the country.

With Regards

Saad Rashid  
Executive Director
