Sub: Violation of Punjab Procurement Rules 2014, Deputy Director (P&S), Water and Sanitation Agency (WASA) (FDA), Faisalabad's Short Tender Notice for Procurement and Store Division.

Dear Sir,

This is with reference to WASA, Faisalabad's Short Tender Notice, published in daily "Nawaiwaqt" on 10th April, 2017. It is observed that the advertisement is in violation of the Punjab Procurement Rules 2014.

As per advertisement WASA, Faisalabad has restricted the bidders to supply detector gate of, U.S.A, European and Japanese origin only and has not added "**or equivalent**" with it, which is not allowed under PPRA 2014, Rule No. 10(2). Stated as under:

10. Specifications:- (2) The Specifications shall be generic and shall not include references to brand names, model numbers, catalogue numbers or similar classifications but if the procuring agency is satisfied that the use of, or a reference to, a brand name or a catalogue number is essential to complete an otherwise incomplete specification, such use or reference shall be qualified with the words "or equivalent".

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
