Chairman,
District Council,

Sub: Violation of Punjab Procurement Rules 2014, Chief Officer/Chairman, Municipal Committee, Muzaffargarh's Tender Notice for Construction Works.

Dear Sir,

This is with reference to Municipal Committee, Muzaffargarh's Tender Notice, published in daily "Express" on 9th September, 2017. It is observed that the advertisement is in violation of the violation of Punjab Procurement Rules 2014.

1. As per the advertisement, 15 days of response time is not given and the last date for submission/ opening of bids is on 20-09-2017, which is 3 days short. It is violation of PPRA Rules 2014, Rule No.14 (1). Stated as under;

14. Response time:- (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the complexity of the procurement, availability and urgency but, in no circumstances, the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

2. Also, the bidding document fee for work under Sr. No.2,3,4,5,6,7 and 8 is charged as PRs 20,000/-, which appears costly in light of the Procurement Rule and is violation of PPRA Rules 2014, Rule 25(7). Stated as under;

25. Bidding documents.- (7) The procuring agency shall, on payment of such fee as the procuring agency may determine keeping in view the cost of printing and provision of the documents, provide a set of bidding documents to the prospective bidders.

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
