Sub: Violation of Punjab Procurement Rules 2014, District Emergency Officer,
The Punjab Emergency Service Rescue 1122, Multan's Tender Notice for
Procurement of Miscellaneous Items.

Dear Sir,

This is with reference to Punjab Emergency Service Rescue 1122, Multan's Tender Notice, published in daily "Jang" on 5th September, 2017. It is observed that the advertisement is in violation of the Punjab Procurement Rules 2014.

As per the advertisement, "the quantity mentioned against above items can be increased/decreased by the department if required", whereas per rules, any change in tender conditions, specifications and quantity after the opening of the bid by procuring agency is not allowed under Rules. However according to PPRA 2014, Rule No. 59 (c) (iv), repeat orders cannot exceed more than 15% of the original quantity. Stated as under:

59. Alternative methods of procurements.- A procuring agency may utilize the following alternative methods of procurement of goods, services and works:

(c) direct contracting: a procuring agency shall only engage in direct contracting if any of the following conditions exist:

(iv) repeat orders not exceeding fifteen per cent of the original procurement;

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
