30. Opening of bids.– (1) The date for opening of bids and the last date for the submission of bids shall be the same; and, bids shall be opened at the time specified in the bidding documents which shall not less than thirty minutes after the closing time for the submission of bids.

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,
