Sub: Violation of Punjab Procurement Rules 2014, Deputy Works, Water and Sanitation Agency (WASA), MDA, Multan's Pre-qualification Notice for Miscellaneous Construction Works.

Dear Sir

This is with reference to WASA, MDA, Multan's Pre-qualification Notice, published in daily "Jang" on 19th March, 2017. It is observed that the advertisement is in violation of the Punjab PRA 2014.

As per advertisement, the pre-qualification document is charged as PRs 75,000/- which appears costly in light of the Procurement Rule and is violation of PPRA 2014, Rule 17(2). Stated as under;

17. Pre-qualification process:- (2) The procuring agency shall provide a set of prequalification documents to any contractor, on request and subject to payment of such price as the procuring agency may determine to defray the cost on account of printing and provision of the document.

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 69, and with request to re-invite the pre-qualification under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
