No: 2451/PPRA

Dated: 24/6/2017.

Subject: - **VIOLATION OF PUNJAB PROCUREMENT RULES 2014, EXECUTIVE ENGINEER, BUILDINGS DIVISION GOR'S (M&R) / SUPERINTENDING ENGINEER, BUILDINGS CIRCLE NO.3 (M&R), LAHORE'S TENDER NOTICE FOR PROVISION OF GENERATOR.**

Reference: Your letter No.TL17/3105/2A, dated: 31.05.2017.

The tender notice for the provision of Diesel generator Set 100-KVA at 9-Aikman Road GOR-I, Lahore was issued by this Division. Your good company had objected on tender notice in the above mentioned letter that this tender notice restricted the bidder to supply generator of Cater Pillar (USA), Cummins (UK), Mitsubishi (Japan), F.G Wilson (U.K) Siemens (PAK) and SDMO (France) and has not added or equivalent with it.

In this context, it is explained that Services & General Administration Department issued a notification No.SO (Proc) (S&GAD)8-2/2007(Stand) in which specification make / specification of Generators standardized.

The following Diesel Generator Sets in 50-KVA to 250-KVA are standardized as follows:-

Brand	Olympian	Cummins	Mitsubishi	F.G Wilson	Siemens	SDMO
Engine Along with Country of Origin	Caterpillar (USA)	Cummins (UK)	Mitsubishi (Japan)	Perkins (UK)	Perkins (UK) Volvo (France)	Volvo (France)
Alternator Along with Country of Origin	Olympian (USA)	Newage Stamford (UK)	Newage Stamford (UK)	Newage Stamford (UK) Leroy Somers (France)	Siemens (Pak)	SDMO (France)

The copy of notification issued by Services & General Administration Department is also attached herewith as "Annexure-A". After the Standardization of Generator, the Department issued a tender notice. The word "Equivalent" is not required as this office follows the notification issued by S&GAD vide letter No. SO (Proc) (S&GAD)8-2/2007(Stand), dated:29.05.2008. So there is no need to re-invite the tender under the proscribed Procedures.
