**Sub: Violation of Baluchistan Public Procurement Rules 2014, Principal, Mekran Medical College, Turbat's Re-Tender Notice for Supply and Installation of Lab Equipment, Furniture and Fixture.**

Dear Sir,

This is with reference to Mekran Medical College, Turbat's Re-Tender Notice published in daily "Dawn" on 23<sup>rd</sup> April, 2017. It is observed that the advertisement is in violation of the Balochistan Public Procurement Rules 2014.

As per advertisement, "Quantity may vary as per requirement of procuring agency", whereas any change in tender conditions, specifications and quantity after bid opening by procuring agency is not allowed under Rules. However according to BPPRA 2014, Rule No. 51 (f) (i), repeat orders cannot exceed more than 15% of the original quantity. Stated as under;

*51. Alternate Methods of Procurements.— (1) A Procuring Agency may utilize following alternative methods of procurement of goods, services and works, namely:—*

*(f) Repeat Orders.— means procurement of additional quantities of the item(s) from the original contractor or supplier, where, after the items originally envisaged for the project or scheme have been procured through open competitive bidding, and such additional quantities of the same item(s) of goods or works are needed to meet the requirements of the project or scheme:*

*Provided that—(i) the cost of additional quantities of item(s) shall not exceed fifteen percent (15%) of the original contract amount;*

The above information is forwarded for the purpose of avoiding mis-procurement charge and with request to re-invite the tenders under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Sohail Muzaffar
