**Sub: Violation of Punjab Procurement Rules 2014, Director (O&M), WASA, LDA, Lahore's Tender  
Notice for Replacement of Water Supply Line.**

Dear Sir,

This is with reference to WASA, LDA, Lahore's Tender Notice published in "Nawaiwaqt" on 25<sup>th</sup> January, 2018. It is observed that the advertisement is in violation of the Punjab PRA 2014.

As per advertisement, there is an ambiguity; as in the paragraph, the date for submission and opening of tender is on 3-02-2018, which is 5 days short, while the other date for opening of tender is given as 17-02-2018. It is a violation of PPRA Rules 2004, No.14 (1). Stated as under;

*14. Response time:- (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the complexity of the procurement, availability and urgency but, in no circumstances, the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Sohail Muzaffar  
Chairman
