Nishtar Medical Hospital,  
Multan.

**Sub:** Violation of Punjab Procurement Rules 2014, Medical Superintendent, Nishtar Hospital, Multan's Tender Notice for Purchase of Equipment for Various Departments.

Dear Sir,

This is with reference to Nishtar Hospital, Multan's Tender Notice, published in daily "Dawn" on 24<sup>th</sup> September, 2017. It is observed that the advertisement is in violation of the Violation of Punjab Procurement Rules 2014.

As per advertisement, there is an ambiguity, as it is mentioned that sealed bids should reach at 10-10-2017 and technical offers will be opened on the same day, i.e. 16-10-2017, which is wrong as two different dates are given. It is violation of Punjab PRA Rules 2014, Rule 30(1). Stated as under:

*30. Opening of bids.— (1) The date for opening of bids and the last date for the submission of bids shall be the same; and, bids shall be opened at the time specified in the bidding documents which shall not less than thirty minutes after the closing time for the submission of bids.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Sohail Muzzafar  
Chairman
