Reference:

Your office letter No.TL18/1809/5A dated 18.09.2018.

It is submitted that the advertisement dated 14.09.2018 for tender notice regarding construction and fixing of boundary pillars in various Forests were published in the news papers. The wording mentioned in your good letter cited under reference that "Divisional Forest Officer, Muzaffargarh reserves the right to cancel all tenders without assigning any reason" needs explanation. You good self raised the valid point, however the rule No.35 of PPRA, 2014 is the main and only available clause of the act with the undersigned to reject any tender, if required. The same is not written in the advertisement notice was due to the reason that the length of the notice should not increase for which the Department had to pay extra money. However your kind direction is noted for further compliance and clause will be mentioned in future advertisement.

Divisional Forest Officer,
Muzaffargarh.
