Managing Director,
Water and Sanitation Agency (WASA),
Lahore.

Sub: Violation of Punjab Procurement Rules 2014, Director (O&M), Ravi Town, WASA,
LDA, Lahore's Tender Notice for Miscellaneous Works.

Dear Sir,

This is with reference to WASA, LDA, Lahore's Tender Notice published in "The Nation" on 1st January, 2018. It is observed that the advertisement is in violation of the Punjab PRA 2014.

As per advertisement, there is an ambiguity; as in the paragraph mentioned in the tender notice the date for submission/ opening of tender is on 10-02-2018, which is 5 days short, while below the tender opening date is given as 18-01-2018, which is creating confusion for the bidder. It is a violation of PPRA Rules 2004, No.14 (1). Stated as under;

14. Response time:- (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the complexity of the procurement, availability and urgency but, in no circumstances, the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
