Sub: Violation of Punjab Procurement Rules 2014, Medical Superintendent, Wazirabad Institute of Cardiology, Wazirabad's Tender Notice for Supply of Medical Equipment and General Store Items.

Dear Sir,

This is with reference to Wazirabad Institute of Cardiology, Wazirabad's Tender Notice, published in daily "Dunya" on 3rd February, 2017. It is observed that the advertisement is in violation of the Punjab Procurement Rules 2014.

As per advertisement, 15 days of response time is not given, the date of publishing of the advertisement of the tender notice is 03-02-2017, while the last date for submission of bids is given as 02-02-2017, which is incorrect. It is violation of Punjab Procurement Rules 2014, Rule No.14 (1). Stated as under:

14. Response time:- (1) *The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the complexity of the procurement, availability and urgency but, in no circumstances, the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No. 69, and with request to re-invite the tender under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzzafar
