Director General,
Faisalabad Development Authority (FDA),
Faisalabad.

Sub: Violation of Punjab Procurement Rules 2014, Deputy Director-II, Faisalabad Development Authority, Faisalabad's Tender Notice for Repair/Improvement Work of Road.

Dear Sir,

This is with reference to FDA, Faisalabad's Tender Notice published in daily "Nawaiwaqt" on 3rd March, 2017. It is observed that the advertisements are in violation of the Punjab Procurement Rules 2014.

The date of publishing of advertisement is 3rd March, 2017, whereas the last date of issuance of RFP will be 24th February, 2017, which is incorrect and it means tender documents are not available for the bidders for 15 days. The rule "Response Time" includes purchase of tender documents for the bidder from the date of publishing of advertisement till the date of submission of bids. Therefore, this is a violation of Punjab Procurement Rules 2014, Rule No.14 (1).

14. Response time:- (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the complexity of the procurement, availability and urgency but, in no circumstances, the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 69, and with request to re-invite the tender notice under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
