Attention of the participants was further drawn towards Rule-5 of SPP Rules, 2010 which stipulates that **"In the event that these rules are inconsistent with, or in conflict with, any obligation or commitment of Government arising out of an international treaty or an agreement with a foreign country or countries, or any international financial institution, the provisions of such international treaty or agreement shall override the provisions of these rules to the extent of that inconsistency or conflict as the case may be"** therefore; the instant procurement does not come under the ambit of SPPRA, however, in order to comply the orders of honourable High Court of Sindh, this meeting has been convened.

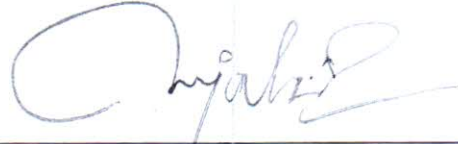

**Decision:**

**“The Committee after hearing the arguments of the complainant (M/s Sinotec Co. Ltd) and all others present in the meeting has decided that the Sindh Public Procurement Rules pertaining to Review Committee is not applicable in the instant procurement and the same has to be decided / redressed in the light of the World Bank Procurement Procedure / Guidelines”**
