**Sub: Allegation of Corruption against DMC South for Collusive Bidding to favor  
M/S Meraj Limited.**

Dear Sir,

Transparency International Pakistan has received a complaint on 15-08-2016 on the allegation of corruption against DMC South for collusive bidding to favor M/S Meraj Limited.

The copy of the complaint along with annexures is enclosed, which comprise of following main accusations;

1. The prospective fabricators/ manufacturers willing to participate in the tender trying to purchase the tender documents are denied the issuance on one pretext or the other. It is very reliably learnt that verbal orders for the containers to be procured through these tenders are placed on to a company Meraj Limited, Plot No. 11, Sector- 15, Korangi Industrial Area, Karachi, Tel: 3505146, 35050145, 35067020. The fabrication & supply of containers has already begun. It is also learnt/ that advance payment has also been made to the company. The aforesaid tenders appear to be an eye wash to fulfill the required formalities in order to conceal the illegal and corrupt actions of the persons involved.
2. It is also learnt that some departments under the local department like DMCs, etc are also purchasing these containers illegally without any authority and proper tendering. This constitutes an open challenge to the authority and the efforts of the said agencies in combating corruption by the government departments. Your kind self through this communication is called upon to discharge your constitution obligations and duty to thoroughly investigate the matter and take stern action under law against the looters of national wealth.

The Minister is requested to kindly take immediate action. Under SPPRA Rules the tenders are required to be uploaded on SPPRA website, and so that they can be downloaded by bidders, which seem to be compromised by the department and the Minister may kindly take immediate action on this complaint.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzzafar  
Chairman

Respected Sir,

Most humbly I say that I am a honest taxpaying citizen of Pakistan who sees the menace of corruption eating away the country's resources and the beneficiaries of such malpractices are a potential source of money laundering and black economy.

I felt joyful when as a viewer of electronic media, I came to know that some law enforcing/ anticorruption agencies like NAB, Provincial Anti-Corruption Establishment, Rangers and institutions like SPPRA & Transparency International are tightening the nose of the corrupt & anti-state elements in the government sector. It is however painful to see that still there are government functionaries who damn care about the patriotic efforts of the above mentioned organizations.

A glaring example is the daring day light robbery being carried out by the Ministry of local government of Sindh & its provincial departments. The District Municipal Corporation (South) floated public tenders under SPPRA Rule 2010 (Amended 2013) through print media & placing on SPPRA web site, for the procurement of new garbage containers vide tender No. SE/DMC/South/001/2016 dt: 27-07-2016 **due to open on 17-08-2016** and tender No. SE/DMC/South/102/2016 dt: 01-08-2016 **due to open 23-08-2016.**

The prospective fabricators/ manufacturers willing to participate in the tender trying to purchase the tender documents are denied the issuance on one pretext or the other. It is very reliably learnt that verbal orders for the containers to be procured through these tenders are placed on to a company **MERAJ LIMITED**, Plot No.11, Sector-15, Korangi Industrial Area, Karachi, Tel: 35050146, 35050145, 35067020. The fabrication & supply of containers has already begun. It is also learnt/ that advance

payment has also been made to the company. The aforesaid tenders appear to be an eye wash to fulfill the required formalities in order to conceal the illegal & corrupt actions of the persons involved.

It is also learnt that some departments under the local department like DMCs, etc are also purchasing these containers illegally without any authority & proper tendering. This constitutes an open challenge to the authority and the efforts of the said agencies in combating corruption by the government departments. Your kind self through this communication is called upon to discharge your constitution obligations & duty to thoroughly investigate the matter and take stern action under law against the looters of national wealth.

In the end, I appologise for not disclosing my identity as I donot have a capacity to face this mafia which may physically eliminate or case irreparable damage to any one who come in their way for achievement of their nefarious designs.

Hoping a positive response from you.

Yours respect fully

An agreived citizen of Pakistan  
Resident of Karachi (Sindh)
