Karachi, Dated:- 30th March 2018

With reference to the subject noted above it is stated that, this office proceeded for the procurement of goods to enrich the school and class room facilities by formulating a District Level Rate Contract procurement Committee and the bids were invited from various firms followed by the SPPRA Rules.

While the proceedings a letter received from Transparency International – Pakistan, pointed out a computer error in the tender. Rectifying the error a letter of corrigendum was issued by this office published in newspapers and hosted at SPPRA website. (Copy enclosed).

However the procedure was spanned up to technical bid opening and brought about their disqualification on technical grounds and deep check of insufficient / invalid documents provided by the applied firms and companies.
