Sub: Violation of Khyber Pakhtunkhwa Public Procurement of Goods, Works and Services Rules 2014, Executive Engineer, Provincial Building (Construction) Division-II, C&W Department, Peshawar's Pre-Qualification Notice for Construction of High Rise Flats.

Dear Sir,

This is with reference to Provincial Building (Construction) Division-II, C&W Department, Peshawar's Pre-Qualification Notice published in daily "Express" on 5th November, 2015. It is observed that the advertisement is in violation of the KPPRA Rules 2014.

As per advertisement, "no pre-qualification document is issued for bidders and it is just mentioned that any other information can be obtained from the office". However, according to KPPRA 2014, Page 18, the 'Pre-qualification process' clause, a set of prequalification document that includes evaluation criteria should be provided to the applicants. The Rule is quoted below for your reference;

Pre-qualification process.--(1) *The procuring entity engaging in pre-qualification shall announce, in the pre-qualification documents, all information required for pre-qualification including instructions for preparation and submission of the pre-qualification documents, evaluation criteria, list of documentary evidence required of contractors or consultants to demonstrate their respective qualifications and any other information that the procuring entity deems necessary for pre-qualification.*

(2) *The procuring entity shall provide a set of pre-qualification documents to any contractor or consultant, on request and subject to payment of document fee if applicable, which shall not exceed cost of printing and providing the documents.*

The above information is forwarded for the purpose of avoiding mis-procurement, mentioned KPPRA Rules 2014, page 22 stated as under; and with request to re-invite the pre-qualification under the prescribed procedures or issue a corrigendum and extend date accordingly.

Mis-procurement. *Any breach of these rules shall amount to mis-procurement and the person responsible for such breach shall be liable to be proceeded under the relevant law.*

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
