Government of Khyber Pakhtunkhwa,
Peshawar.

Sub: Violation of Khyber Pakhtunkhwa Public Procurement of Goods, Works and Services Rules 2014, Deputy Secretary Technical, Public Health Engineering (PHE) Department, Peshawar's Expression of Interest Notice for the project "Solarization of Water Supply Schemes".

Dear Sir,

This is with reference to Public Health Engineering (PHE) Department, Peshawar's EOI Notice published in daily "Aaj" on 9th November, 2015. It is observed that the advertisement is in violation of the Khyber Pakhtunkhwa Public Procurement of Goods, Works and Services Rules 2014.

As per advertisement, "no evaluation criteria for short-listing are mentioned for bidders". However, according to KPPRA Rules 2014, Page 14 & Page 18, the 'Expression of Interest' & the 'Pre-qualification process' clause, clearly states that it should provide evaluation criteria for short-listing. The Rules are quoted below for your reference:

Expression of interest (EOI).--(1) A request for expression of interest shall be advertised, giving to the applicants at least two weeks for national competition and four weeks for international competition to submit their interest to provide consultancy services.

(2) The expression of interest shall contain at least the following information:

- (a) the name and address of procuring entity;*
- (b) an appropriate description of the assignment providing scope of the intellectual and professional services required;*
- (c) deadline and place of the submission of expression of interest; and*
- (d) criteria for short-listing where required.*

The above information is forwarded for the purpose of avoiding mis-procurement, mentioned KPK Public Procurement of Goods, Works and Services Rules 2014, page 22 stated as under; and with request to re-invite the EOI under the prescribed procedures or issue a corrigendum and extend date accordingly.

Mis-procurement.— Any breach of these rules shall amount to mis-procurement and the person responsible for such breach shall be liable to be proceeded under the relevant law.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman

Copies forwarded for the information with request to take action under their mandate to:
