I am directed to refer to your office letter under reference, vide which a copy of the Chairman Transparency International letter No.TL18/2402/5-A, dated 24/02/2018 has been endorsed for necessary action and report.

In the referred letter of Transparency International, it has been mentioned that as per Advertisement (NIT) published in the Daily AJJ dated 23/02/2018, 15-days of Response Time is not given and the last date for submission/opening of bids is 06/03/2018 which is three days short and is violation of KPPRA Rules 2014 and falls under miss-procurement as per Rule 54 of KPPRA Rules 2014.

In this connection, it is to clarify that the advertisement appeared in Daily Express on 17/02/2018 (Copy enclosed), wherein the date for opening of technical bid is 06/03/2018. Hence it transpires that the response time from 17/02/2018 (as appeared in the Daily Express) to 06/03/2018 worked out as 18-days as compared to the minimum requirement of 15-days.
