Subject: In response to your letter TL16/1909/5A

Respected Sir,

This is with reference to your letter TL16/1909/5A to Neiborhood Council, Charsadda 's E-Tender Notice published in "Aaj" on 13 September.

On September 6th 2016 we sent the letter to the Information Director through TCS and the letter was recieved to the Information Director on 9th September 2016 and was published on 13th September 2016 as on 13th September was Eid ul Azha holiday.

As we received the letter on 20th September 2016 at 2:40 pm in Shabqadar as I received the letter I contacted our District Progress Ofiicer Charsdda and he forwarded that to the Assistant engineer .After that I went to the Office of the Assistant Director LG&RDD. He cancelled the Tender as letter No. AD/LG& RDD/(CHD) Dev:4484.

I shall assure you my apologies as I was at home in Eid holidays and the publish took long time than necessary.Something like that will never happen again.

Enclosed is the letter of cancellation of E-Tender from the Office of the Assistant Director LG& RDD

Secretary,

Neighbourhood Council,

NHC Arat Kandy
