Sub: Violation of Khyber Pakhtunkhwa Public Procurement of Goods, Works and Services Rules 2014, Hospital Director, (MTI), Khyber Teaching Hospital, Peshawar's Expression of Interest Notice for Up-Gradation of Pathology Department.

Dear Sir,

This is with reference to MTI, Khyber Teaching Hospital, Peshawar's EOI Notice published in daily "The News" on 19th February, 2017. It is observed that the advertisement is in violation of the KPK Public Procurement of Goods, Works and Services Rules 2014.

As per advertisement, no evaluation criteria for short-listing are mentioned for applicants. However, according to KPPRA Rules 2014, Rule No.25, the 'Expression of Interest' clause, clearly states that it should provide evaluation criteria for short-listing. Stated as under;

25. Expression of interest (EOI).--(1) A request for expression of interest shall be advertised, giving to the applicants at least two weeks for national competition and four weeks for international competition to submit their interest to provide consultancy services.

(2) The expression of interest shall contain at least the following information:

- (a) the name and address of procuring entity;*
- (b) an appropriate description of the assignment providing scope of the intellectual and professional services required;*
- (c) deadline and place of the submission of expression of interest; and*
- (d) criteria for short-listing where required.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 54, with request to re-invite the EOI under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,
