Dear Sir,

This is with reference to C&W Buildings Division, Nowshera's RFP Notice, published in daily "Aaj" on 22<sup>nd</sup> January, 2018. It is observed that the advertisement is in violation of the KPPRA Rules 2014.

As per advertisement, 15 days of response time is not given and the last date for the submission/opening of tenders is on 31-01-2018, which is 5 days short and is violation of KPPRA Rules 2014, Rule No.34 (1). Stated as under:

*13. Response time. - (1) The procuring agency may decide the response time for receipt of bids or proposals (including proposals for pre-qualification) from the date of publication of an advertisement or notice, keeping in view the individual procurement's complexity, availability and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.*

The above information is forwarded for the purpose of avoiding mis-procurement charge under Rule No 54, with request to re-invite the RFP under the prescribed procedures or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,
