Dear Sir,

In reference to your office letter bearing number TL16/1501/2A dated 15/1/2016 on the subject cited above.

This office often made utmost efforts to provide the suppliers free, fair and transparent environment with healthy competitiveness. Our staff is always ready to provide every information required either by the firms or any individual. The tender under reference is floated in continuance to a Pre-qualification processed. The firms qualified are required to participate the bid rather items / fruit plants not available with the registered nurseries obviously would be procured through open market from registered fruit nursery farms. The required document has already been developed and made available in the office a copy of which is enclosed.

It is also appreciable if your representative may participate the tender opening as an observer and you will find the process according to the rules / regulations. Your strenuous efforts, towards application of Rule of Law; the only way to stop corruption; highly valued to us.

Yours truly,
