As per the advertisement, 15 days of response time is not given and the last date for submission of bids is given on 31-10-2016, which is 7 days short and is violation of KPPRA Rules 2014, Rule No.34 (1). Stated as under:

*34. Response time.---(1) The procuring entity may decide the response time for receipt of bids or proposals including proposals for pre-qualification from the date of publication of an advertisement or notice, keeping in view the contract's complexity, and urgency. However, under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice in the national newspaper.*
