Subject:

VIOLATION OF KHYBER PAKHTUNKHWA PUBLIC PROCUREMENT OF GOODS, WORKS AND SERVICES RULES 2014, ITB FOR "PROVISION OF SANITATION SERVICES IN SIX (06) UNION COUNCILS OF ABBOTTABAD"

Ref: your later No TL17/3003/11A dated 30th march, 2017.

Dear Sir,

With reference to above mentioned letter please be noted that the services under the subject contract will be provided for the first time in the target six (6) union councils of Abbottabad city. The quantities of waste generated from the community in the six union councils will depend on many factors including the population to be served. Keeping in view the population forecast and our preliminary survey of the target areas we have come out with estimated quantities of waste that may be generated from these Union Councils.

The items of pricing in the bid document are based on the quantities of the waste and not on the number of Union Councils. The paragraph in question i.e. "Number of Union Councils may be increased or decreased in accordance with the actual requirements" was provided in the bid documents in order to keep variations, if any, in the permissible limits as per the KPPRA guidelines of 2014 as we have four (4) other union councils in the city where our own manpower, though deficient, acquired from TMA Abbottabad are providing these services which may be added to the successful contractor's scope of work if required.

The rest, please be assured that we will follow KPPRA rules in letter and spirit.
