Managing Director,  
Small Industries Development Board,  
Kohat Road,  
Peshawar.

Subject: Violation of Khyber Pakhtunkhwa Public Procurement of Goods, Works and Services Rule 2014  
Managing Director, SIBD, Peshawar's Pre-Qualification Notices for Establishment of Small Industrial  
Estate & Rehabilitation of Infrastructure Facilities.

Dear Sir,

This is with reference to SIBD, Peshawar's Pre-Qualification Notice published in daily "Dawn" on 17<sup>th</sup> October, 2015. It is observed that the advertisement is in violation of the KPPPRA Rules 2014.

As per advertisement, "no pre-qualification document is issued for bidders". However, according to KPPPRA 2014, Page 18, the 'Pre-qualification process' clause, a set of prequalification document that includes evaluation criteria should be provided to the applicants. The Rule is quoted below for your reference;

***Pre-qualification process.--(1) The procuring entity engaging in pre-qualification shall announce, in the pre-qualification documents, all information required for pre-qualification including instructions for preparation and submission of the pre-qualification documents, evaluation criteria, list of documentary evidence required of contractors or consultants to demonstrate their respective qualifications and any other information that the procuring entity deems necessary for pre-qualification.***

***(2) The procuring entity shall provide a set of pre-qualification documents to any contractor or consultant, on request and subject to payment of document fee if applicable, which shall not exceed cost of printing and providing the documents.***

The above information is forwarded for the purpose of avoiding mis-procurement, mentioned KPPPRA 2014, page 22 stated as under; and with request to re-invite the pre-qualification under the prescribed procedures or issue a corrigendum and extend date accordingly.

***Mis-procurement.**— Any breach of these rules shall amount to mis-procurement and the person responsible for such breach shall be liable to be proceeded under the relevant law.*

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

  
Sohail Mustafa  
Chairman
