- Disqualification of M/s Xplor Enterprises [JV] Sitara Engg. for HVAC Works

Dear Sir,

Rejoinder is made here to your letter # CEC/GSE/3-1/5699 dated October 17, 2017 (received on October 27, 2017) under covering the complaint of M/s Xplor Enterprises [JV] Sitara Engg. to Transparency International for being dropped from the list of provisionally pre-qualified constructors for captioned works. It is to inform that this Office communicated a Draft Pre-qualification Report to the Client, framed on the initial scrutiny of presentations made by applicant firms.

However, the name of complainant was dropped during the process on failure in furnishing the substantiation of Similar Experience claimed in applications (Clause 4.2 "submission of missing documents"). Consequently, the marks against experience were detracted which caused their disqualification in the Final Pre-qualification Report.

This is for your kind information and further appropriate action, please.

Very truly yours
for National Engineering Services Pakistan (Pvt.) Limited,

(FARMANULLAH)
RM (Khyber Pakhtunkhwa)
