

21st January, 2014

The Chairman,
Karachi Port Trust,
Karachi.

Sub: Violation of Public Procurement Rules 2004, Karachi Port Trust Tender Notice for Supply of Miscellaneous Items.

Dear Sir,

This is with reference to Karachi Port Trust, Tender Notice, published in daily "Dawn" on 11th January, 2014. It is observed that the advertisement is in violation of the Public Procurement Rules 2004.

As per the NIT the procuring agency has mentioned that "KPT reverses the right to reject any or all offers without assigning any reason", whereas as per Rule No. 33, the procuring agency has to assign the reason of bid rejection to bidders. The rule is quoted below for your reference:

33. Rejection of Bids "...The procuring agency shall upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds.

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50 and with request to re-invite the tender under the prescribed procedures of Public Procurement Rules 2004 or issue a corrigendum and extend date accordingly.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Sohail Muzaffar
Chairman
