Fax: 021-99214330

Subject: Procurement of 75 ton Bollard Pull Tugs and Deep Port Dredging

In pursuance of Prevention Regime Initiative under purview of the National Accountability Ordinance 1999, point wise response is awaited failing which NAB will be constrained to take further legal action. Please be advised that the case of the procurement of 75 ton Bollard Pull Tugs and deep port issues specially the dredging contract are under investigation of NAB from pre-procurement to post contract phase. You are further advised that no interim action should be taken without intimation to NAB.

2. This issues with the approval of Director General (A&P), President Prevention Committee constituted under Section 33C of NAO by Chairman, National Accountability Bureau against corruption and corrupt practices.
