Sub: Violation of Public Procurement Rules 2004, Deputy General Manager, Karachi Shipyard & Engineering Works Limited's Tender Notice for Supply of Fire Fighters Protective Suit, Rubber Fender, Bright White Photostat Papers and Partial Wood Logs.

Dear Sir,

The Deputy General Manager, Karachi Shipyard & Engineering Works Limited's Tender Notice for Supply of Fire Fighters Protective Suit, Rubber Fender, Bright White Photostat Papers and Partial Wood Logs, published in the "Dawn" on 12th June, 2013, is against the Public Procurement Rules 2004.

Transparency International Pakistan would like to point out that Karachi Shipyard & Engineering Works Limited has restricted the bidders to supply **Bright White Photostat Papers** of make **Indonesia and brand Paper One** only, which is not allowed under the following rule.

10. Specifications:- Specifications shall allow the widest possible competition and shall not favour any single contractor or supplier nor put others at a disadvantage. Specifications shall be generic and shall not include references to brand names, model numbers, catalogue numbers or similar classifications. However if the procuring agency is convinced that the use of or a reference to a brand name or a catalogue number is essential to complete an otherwise incomplete specification, such use or reference shall be qualified with the words "or equivalent".

The above information is forwarded for the purpose of avoiding the mis-procurement charge under Rule No 50, and with request to re-invite the tender under the prescribed procedures.

Transparency International Pakistan is striving for across the board application of Rule of Law, which is the only way to stop corruption.

With Regards,

Syed Adil Gilani
Adviser
